Consulting Services for Architectural Design & Engineering Port Burwell Main Beach Washrooms

October 9, 2026

Overwhelming interest from Consulting Service Providers will result in the Port Burwell Main Beach Washrooms RFP being deferred past the October 15, 2026 meeting of Council.

Staff are working diligently to review the submissions to provide informed recommendations.

It is great to see the reinvigorated interest from the broader business world in wanting to work with our wonderful community.

Wishing you a Happy Thanksgiving,
