PickupHub

Please pre-register for Stick & Puck on
pickuphub.net
Capacity limits in effect. Please collect skate band at the front desk for ice programs

Full Equipment is required and mandatory for Shinny Programs

Adult Stick & Puck

This self-taught Stick & Puck program allows for a relaxed atmosphere to help develop hockey (or ringette) skills at your own pace, in a comfortable setting. Work on stick handling, shooting and skating skills. NO scrimmages/games, NO slap shots of body contact allowed.

Family Stick & Puck

Families with young children or homeschool families wanting to work on hockey/ringette skills. All children must be supervised on ice by a parent or guardian. A parent or guardian must be in the facility during the duration of the program. Any child from the family not on the ice must be supervised by a parent or guardian.

Teen Stick & Puck

A great time for youth 13-17 years old to work on hockey/ringette skills with their peers in a welcoming environment. We have a zero-tolerance policy for roughhousing and dangerous play. CSA approved helmets are required for all participants. Full equipment is highly recommended.

Adult & Senior Skating

The perfect time to skate if you're over the age of 18. Skate at your own leisure to some background music. No pucks or sticks allowed. CSA approved helmets are highly recommended.

Family Skating

This skating time is designed for families to skate in a quiet, relaxed atmosphere. This skating time is ideal for younger children, and those needing a controlled and comfortable place to work on skating skills. This program is not supervised by a skate patrol. All tots must be supervised on ice by a parent or guardian with sufficient skating ability. CSA approved helmets must be worn by all children and are strongly encouraged for adults.

Shinny Hockey

Players are required to register through pickuphub.net - registration opens 7 days before game time. If the minimum number of players has not been reached , games will be cancelled and players will be notified 90 minutes before game time. Games are not refereed or supervised unless otherwise stated. Goalies are free but must register. A CSA approved hockey helmet is mandatory for everyone. Players under the age of 19 must wear a CSA Helmet with a full face mask. Full equipment is required. Body contact is not permitted.
