EQUIPMENT STORAGE BUILDING - WMF

ADDENDUM

Addendum No: **1**

Project: **Equipment Storage Building - WMF**

Project No: **2026-08-05**

Distribution: **Public**

Addendum Date: **Aug 11, 2026**

The following addendum shall be included in the above tender.

APPENDIX A - SCOPE OF WORK AND DELIVERABLES

In section **3. SCOPE OF WORK**, Replace the 6th bullet with the following:

- The proposal should include installation of an electrical system, a cost comparison of 200 and 400-amp service, along with lighting, a 110 outlet every 10 feet, and four 220 outlets internally (welder/air compressor/pressure washer). Externally, 110 outlets are to be installed adjacent to each person and equipment door. All 110 outlets should be suitable for plugging in equipment with block heaters.
