DOWNTOWN NEWCASTLE

STORYWALK®!

About StoryWalks®

We hope you enjoy this fun, educational activity that places pages from a children's storybook along a path!

StoryWalks® were created as a way for people of all ages to combine physical activity in a local area with a story, combining a love of two things: storytelling and walking.

About the Book

We're Going on a Pumpkin Hunt

by Mary Hogan Wilcox, illustrated by Lynn Munsinger

A group of children sets out on a secret nighttime hunt for the biggest pumpkin they can find, encountering a scary jack-o'-lantern, overcoming their fears and other obstacles, until they return home to--pumpkin pie.

About the Newcastle BIA

The Newcastle BIA is one of four Business Improvement Associations within the Municipality of Clarington. It is an organization of merchants and businesses that run along King Avenue from North Street to the plaza at Brookhouse Drive, with the purpose to improve, promote, and beautify Newcastle's downtown area.
