Quimby Barricades

Council indicated that the placement of the barricades may have been premature in that safety concerns and recommendations from the ATV Sub-Committee should have been considered prior to making a decision. The current policy indicating ATV's may use roads to access the most direct route to a trail should also be revised in conjunction with barricade placement. In fairness, any changes to trail way access and use should be looked at as a whole and not individually.

Motion #16-015 Quimby Barricades

Moved by Councillor Anstey and seconded by Deputy Mayor Abbott to remove the barricade located at Quimby Place as soon as possible.

In Favour: 6 Opposing: 1 - Mayor Elliott
