1. CALL TO ORDER

The Meeting was called to order at 4:43pm.

2. VISITORS/PRESENTATIONS

Light up for Christmas

Councillor Blundon presented the winners of the 2010 Light up for Christmas contest. The winners are as follows:

1st Place	Keith & Carol Kean, 34 Forester Road
2nd Place	Christopher & Geraldine Mouland, 34 Raynham Avenue
3rd Place	Allan & Muriel Rose, 101 Ogilvie Street

Santa Claus Parade

Ray Jones, Brian Peckford and Bruce Gibbons on behalf of the Gander Lions Club presented plaques to the following for the best floats at the Santa Claus Parade:

Commercial	Jim Penney Ford and Jim Penney Collision Centre
Non-Commercial	St. Joseph's Parish
Family/Neighbourhood	Fraser Road United Church Sunday School

3. MINUTES FOR APPROVAL**Motion #11-001****Minutes for Approval**

Moved by Councillor Blundon and seconded by Councillor Foley that the Minutes from the Regular Meeting of Council on December 15, 2010 be adopted as presented.

In Favour: 4 Opposing: 0

Decision Motion carried.

4. BUSINESS ARISING FROM PREVIOUS MINUTES

None.

5. REPORTS – STANDING COMMITTEES:**A. Tourism Committee:**

The Tourism Committee meeting was held on January 5, 2011. The meeting was chaired by D. Blundon, Councillor. Other members present included: Z. Tucker, Deputy Mayor; N. Lanning, Councillor; K. Waterman, Recreation Director.

The following items were discussed:

Rick Hansen 25th Anniversary Relay

The Committee has suggested that staff contact the organizers of the "Rick Hansen Man in Motion World Tour" to request that Gander be a major relay stop for next year's national tour. The relay will feature thousands of relay participants and will visit hundreds of communities from St. John's to Vancouver. The 25th Anniversary celebrations start on August 24, 2011.

Letter re Silent Witnesses Memorial

The Committee addressed correspondence from a United States resident suggesting that some sort of place be constructed for people to leave their thoughts while visiting the Silent Witnesses Park. She also volunteered to help raise funds. The Committee would rather see a memorial booklet placed at the North Atlantic Aviation Museum for visitor comments. The Museum would be a more suitable and secure place in its opinion.

Automotive Extravaganza Donation

A representative from the 2010 Automotive Extravaganza wrote noting some deficiencies in the invoice. The Committee asked the Director to check into the matter and, if necessary, advise the Finance Department on appropriate revisions. The Director should also contact the event organizer on the status of their inquiry.

Lions Club Santa Claus Parade & Light Up for Christmas Winners

The various winners of the Santa Claus Parade and Light Up for Christmas programs will be recognized at the next Council Meeting.

B. Economic & Social Development Committee:

The Economic & Social Development Committee was held on January 4, 2011. The meeting was chaired by Z. Tucker, Deputy Mayor. Other members present included: D. Blundon, Councilor; J. Turner, Town Manager; D. Chafe, Development Director.

The following items were discussed:

Paul Yuzyk Award for Multiculturalism

The Government of Canada, through Citizenship and Immigration Canada, recently called for nominations for the Paul Yuzyk Award for Multiculturalism. This award recognizes individuals in communities across Canada who have made exceptional contributions to multiculturalism and diversity. Only one award is given annually for either Lifetime Achievement or Outstanding Achievement.

Integration and multiculturalism will play an increasingly important role in our country, province and community. The Committee would like to encourage residents to nominate individuals they believe deserving of this award. More information can be found at www.cic.gc.ca/paulyuzyk.

MUN, Harris Centre Presentation

Dr. Rob Greenwood, Director of the Leslie Harris Centre of Regional Policy and Development at Memorial University, wrote to advise that the Centre is now in its 6th year and in the process of finalizing a new five year strategic plan. They are also in the process of writing up findings from two major research projects.

Dr. Greenwood has requested the opportunity to come to the community and present on the Harris Centre, their work in general, and the findings from two of their major research projects. Staff will contact Dr. Greenwood and arrange for him to present at a future Committee meeting.

Search & Rescue Report

On December 15th, the CBC News reported that it had obtained a National Research Council Report that suggested that the Canadian Forces should move its Search and Rescue Hercules aircraft from Nova Scotia to Central Newfoundland. The report notes that the military's own study confirms that a Gander based Hercules would result in significant improvements in response times to distress calls. Council has long advocated for the enhancement of 103 Search and Rescue including the placement of a fixed-wing aircraft at the base here in Gander.

The Committee has asked staff to request a copy of the report and is recommending that the Mayor write the Minister of National Defense requesting a meeting to discuss how government plans to address the recommendation of the report and the possibility of securing a fixed wing aircraft for 103 Search and Rescue.

HBB HomeLife Realty

Council has received an application for the establishment of a Home Based Business from HomeLife Experts Realty Inc. – Gander. This business which will specialize in real estate sales is requesting permission to establish a home office out of the residence located at 18 Byrd Avenue. The proposed business meets all the eligibility criteria under the Towns by-laws and has met all the requirements for approval.

WHEREAS an application for a Home Based Business has been received from the resident of 18 Byrd Avenue requesting to operate a business office for real estate sales;

AND WHEREAS the use has been advertised in the local paper, Town of Gander Website and to the adjacent residents, with no objections received,

AND WHEREAS all eligibility criteria and requirements have been met,

BE IT RESOLVED that permission be granted to HomeLife Experts Realty Inc. – Gander to operate a business office from 18 Byrd Avenue.

Motion #11-002

HBB Home Life Realty

Moved by Councillor Foley and seconded by Councillor Blundon that permission be granted to HomeLife Experts Realty Inc. – Gander to operate a business office from 18 Byrd Avenue.

In Favour: 4 Opposing: 0

Decision: Motion carried.

HBB- R & D Construction

Council has received an application for the establishment of a Home Based Business from a resident at 37 Hornell Street. This business will specialize in project management for the construction industry. The proposed business meets all the eligibility criteria under the Towns by-laws and has met all the requirements for approval.

WHEREAS an application for a Home Based Business has been received from the resident of 37 Hornell Street requesting to operate a business office for project management;

AND WHEREAS the use has been advertised in the local paper, Town of Gander Website and to the adjacent residents, with no objections received,

AND WHEREAS all eligibility criteria and requirements have been met,

BE IT RESOLVED that permission be granted to R&D Construction to operate a business office from 37 Hornell Street.

Motion #11-003

HBB – R & D Construction

Moved by Councillor Foley and seconded by Councillor Blundon that permission be granted to R&D Construction to operate a business office from 37 Hornell Street.

In Favour: 4 Opposing: 0

Decision: Motion carried.

2010 Building Statistics

The Committee is happy to report on the final building statistics for 2010.

Over the past 12 months Gander's residents, the business community, and government invested over \$45M in our community both through new construction and renovations. A total of 381 residential permits were issued and 107 of those were for new construction.

2010 was also a significant year for commercial and government investment in our community with a combined investment of almost \$24M; more than double that made in 2009.

This was the best year ever for dollars spent. Adjusted for inflation – it is the best year we have ever had. Overall investment is up 41.8% over 2009. Council is very pleased with our continued growth and looks forward to sustained growth for 2011.

The Town Clerk noted that this was an excellent year but in actuality the Town's second best year ever, the #1 being in 1977.

C. Public Safety and Human Resources Committee:

The Public Safety and Human Resources Committee was held on January 4, 2011. The meeting was chaired by R. Anstey, Councillor. Other members present included: A. Scott, Councillor; N. Lanning, Councillor; G. Brown, Director of Finance; J. Turner, CAO; A. Lorette, Deputy Municipal Clerk; D. Brett, Fire Chief; W. Shearing, Municipal Enforcement Officer.

The following items were discussed:

Meeting with Resident

A letter was reviewed from a resident requesting to meet with the Public Safety Committee of Council regarding the Town's Municipal Enforcement Officers. The letter requested to discuss the Enforcement Officer's attitude towards the general public and their job description.

The Committee discussed the request and thought that it would be more prudent for the resident to meet with the Municipal Enforcement Officer's Manager as the issues identified appeared to be personnel human resources in nature. It was noted that following a meeting with the Town Clerk, if the concern could not be resolved or clarified, the Clerk would address the issue with the Committee once again.

Placement of Dumpsters near Buildings

Correspondence from the Fire Commissioner was reviewed by the Committee. The letter, in response to a letter written by the Town, indicated that due to zoning regulations and property restrictions, some businesses are unable to abide by the Provincial requirements for dumpster placement in Gander.

The letter authorized that in these cases the regulation may be waived, only as approved by the Fire Inspector, as long as the conditions outlined in the letter were met.

The Committee awaits a response from the Town Fire Inspector on whether this solution will solve the problem associated with several Town's businesses.

Fire Hall Grand Opening

The Committee discussed the upcoming completion of the new Fire Hall in 2011. It was noted that a Grand Opening should be scheduled for the facility. The Town will contact the various funding agencies involved and look at tentative dates in early June for the event.

Municipal Safety Council

Following the Municipalities Newfoundland and Labrador Symposium in 2010, information was presented on the Newfoundland Municipal Safety Council. Since this time, there has been little additional information on its progress. The Committee would like an update on the status of this initiative. Councillor Anstey will follow up with the Urban Municipalities Group for this information.

D. Parks & Recreation Committee:

The Parks and Recreation Committee was held on January 5, 2011. The meeting was chaired by N. Lanning, Councillor. Other members present included: Z. Tucker, Deputy Mayor; R. Anstey, Councillor; J. Turner, Town Manager; K. Waterman, Director of Parks, Recreation & Tourism.

The following items were discussed:

Letter from Gander Rotary Club

The Committee, after reviewing the letter from the Rotary Club, concurred with their major concern of having the preliminary maintenance and repairs done at the park as early in the season as possible. They requested that the Director check into the following issues:

- A. Allocation of two staff for a minimum of two weeks to conduct the spring maintenance program of clean up, brush cutting, boardwalk repairs, etc.
- B. Assess the level of basic drainage issues to curb some of the park's wet areas.
- C. Brush cutting along the south shoreline adjacent to the parking lot.
- D. An assessment of the park's upper bridge should be carried out for improvements and its level of safety.
- E. Check on possible funding grants to assist with park improvements.

The Committee felt that these issues have been outstanding for sometime and that the Club should be informed of their status for the coming spring and summer season. Furthermore, a future meeting will be arranged to have a formal memorandum of understanding signed with the Club for ongoing park maintenance and development.

Deputy Mayor Tucker also noted the discussion at the Committee level on having a resource dedicated to Cobb's Pond at least two days a week and the importance of having this built into the MOU.

The Town Clerk stated that the focus of the MOU is mostly for fundraising and not labour resources.

Councillor Blundon noted the drainage problem should be addressed in 2011 as well, as the Festival approaches.

Councillor Lanning noted that Step one is to hear back regarding Multi-Year Funding and once this information is available Council will be in a position to have a more detailed discussion.

Funding Requests

The following request was approved under the Grants, Subsidies and In-kind Services Policy:

- The Kiwanis Club of Gander for \$500 towards their annual music festival being held from March 7 - 11. This event has over 400 participants yearly.

Development of a Dog Park

The Committee reviewed recent correspondence from residents requesting that the Town develop a dog park. The Committee revisited some of the discussion points put forth from a previous decision not to develop such a facility in the Raynham ballfield area. In light of the renewed interest in a local dog park, the Committee put forth the following:

- A. The Director contact the three municipalities in the Province that currently operate dog parks (St. John's, Mount Pearl and Clarenville) to discuss their particular park operations.
- B. Have a person appointed from the interested group to assist with the review of information, i.e., parking arrangements, capital & operating costs, and municipal assistance. The Chief Administrative Officer noted that there are no provisions made in the 2011 budget to fund the Capital or any operating costs of a Dog Park if approved, and unless the Park would be funded totally by the users, his recommendation is that the information be gathered and submitted to the budgetary process for 2012.

Further updates will be given at a future committee meeting.

Deputy Mayor Tucker asked if the Committee can look at what the potential cost would be, as the Deputy Mayor does not feel there would be a large cost.

Recreation Newfoundland & Labrador Awards Program 2011

Information was received on the Recreation Newfoundland & Labrador (RNL) Awards Program. The Committee suggested that the Director prepare a list of potential recipients for the various award categories as the Committee would like to make a submission to each category. Any person or organization who would like to nominate an individual can contact the Department at 651-5927. RNL will be having their 40th annual conference and annual general meetings here in Gander from June 3 – 5, 2011.

Green Team Employment Program

An overview of the Provincial Green Team's summer employment program was presented for review. The Committee suggested that the program and costs involved were not suitable for the Town's operations but should be forwarded to other local environmental based groups.

Gander Sportsplex Press Release

The Committee reviewed a copy of a press release requesting input from the community on a proposed sportsplex. A public meeting is scheduled for February 2nd in meeting room 2 at the Gander Community Centre at 7pm.

The Committee noted that the Town has only given approval in principle to pursue a feasibility study on a new multi-purpose facility and this decision will be reiterated by Council's representative at the public meeting. Council has budgeted up to \$5,000 as a contribution towards the study.

Councillor Lanning encouraged all residents to come and voice their opinions about this option and any other recreations issues or concerns that may be affected by this project.

E. Municipal Works & Services Committee:

The Municipal Works & Services Committee was held on January 6, 2011. The meeting was chaired by A. Scott, Councillor. Other members present included: R. Anstey, Councillor; J. Turner, CAO; J. Blackwood, Director of Municipal Works & Services.

The following items were discussed:

Delegation – Tony Barron

The Committee met with Mr. Tony Barron, Foreperson of the Water and Sewer Department with the Town of Gander and Supervisor of Municipal Works, Mr. David Moulton.

Mr. Barron gave the Committee a presentation on Hurricane Igor, the highlights of the storm, how the Town responded, what infrastructure was affected and his recommendations for moving forward to better prepare the Town for future events of this nature. He will now formalize his report and present it to Management, who will then make a recommendation to Council as to how to proceed.

Business Arising- 350 Gander Bay Road

During the Municipal Works and Services Committee Meeting held on Dec 9, 2010, the Committee granted a request from the owner of 350 Gander Bay Road to erect an accessory building measuring 30' x 40' which is the maximum allowable under the Town of Gander Accessory Building Regulations. Since that time, the Committee has received another request from the same individual requesting that council permit this accessory building be increased to approximately 30' x 50'.

This exceeds the maximum allowable under the Town of Gander Accessory Building Regulations even for a rural area on a large lot and therefore Council cannot approve this request.

Business Arising - Invoice

An invoice from Powell's Electrical for the supply, installation, and associated training of a new Traffic Controller which had been deferred from a previous meeting to this current one was reviewed again by the Committee. At the time of installation, training as specified in the contract documents, had not been provided to the Town.

The Committee is recommending payment of this invoice for Powell's Electrical with a holdback of \$ 3,000 pending the training which the supplier has committed to providing in short order. This item is now referred to the Finance Committee for its consideration.

Invoices

The Committee reviewed the invoices for Capital and Operating. The Director advised the Committee that all goods and services have been received and meet the Town's specifications.

The Committee recommends that these invoices be paid and forwards them to the Finance Committee for its consideration.

Policy Revision and Amendments

While exploring the amendment to three policies within the Town of Gander for 2011, it was discovered that policy number A-020 *Policy Revision and Amendments* did not include regulations. In order to follow the proper process for a Motion of Council for first and second readings, Policy No. A-020 should be amended to include "***Policy, Regulation, and Procedure Amendments***".

This item is now referred to the Finance Committee for its consideration.

Swimming Pool Regulation- Amendment

The Committee recommends that the wording put forth by the Municipal Works Department to amend the Swimming Pool regulations be forwarded to Council for the first reading as follows;

"Swimming Pools shall be protected by a barrier or fence having a minimum height of 1.5 meters and located a minimum of 1.5 meters from the water surface, and have a gate, equipped with self-closing, self-latching devices placed at the top and on the inside of the gate."

Sign Regulation - Amendment

The Committee recommends that the wording put forth by the Municipal Works Department to amend the Sign regulations be forwarded to Council for the first reading as follows;

"Advertisements incorporated into the architectural design of any building in the zone shall not exceed 25% of the building face."

Parking- 93 Elizabeth Drive

At the previous Committee meeting, permission was granted to construct a residence for occupancy above the property located at 93 Elizabeth Drive. As a result of the new occupancy, the property owner representative has requested permission for two parking spaces at the rear of this property. Council has reviewed the proposed location for the parking and is recommending that these two spaces be designated as requested as it does not interfere with snow clearing operations for the Town of Gander and is the most practical location for this resident to park.

National Building Code - Adoption

The Town of Gander had adopted the past National Building Codes of Canada and the Town's regulations and inspections are developed around this national code. The new 2010 National Building Code has recently been released by the National Research Council of Canada and the Municipal Works Department has just received this latest edition.

Motion #11-004**National Building Code - Adoption**

Moved by Councillor Foley and seconded by Councillor Lanning that the National Building Code of Canada 2010 (with the exception of section 9.3.2.5, referring to moisture content), The National Plumbing Code 2010 and the National Fire Code of Canada 2010 including all additions, amendments, and supplements be adopted for use by the Town of Gander.

In Favour: 4 Opposing: 0

Decision: Motion carried.

Backyard Composting

A letter was received from the MMSB indicating they were considering launching a new backyard composting initiative and has invited municipalities to participate. If this program is implemented, it would involve the sale of subsidized composting bins directly to municipalities in the province partnered with an education program for residents.

If sufficient demand is received by the MMSB, they will then move forward with the program and have asked for a response by January 17th indicating the Town's interest.

Correspondence has also been received from VON Broadening Horizons, who presently deliver the Town's Recycling Program, asking that Council give them permission to deliver this program as well.

The Committee considered this request and felt it would be a good fit for the Broadening Horizons Program which the Town endorses. The information will be forwarded to them, offering our support as well in assisting with this recycling initiative.

New Street Signs

The Committee discussed the timeline in which new streets signs are to be erected in new developments and subdivisions.

The idea of having the deadline included in the *Design Standards for Streets and Subdivisions* was discussed and it was determined that this is more of a technical document indicating the type of material, size, and dimensions etc.

The Committee felt that the time of the actual placement of the street sign would be better placed in the individual *Development Agreements*, prior to the issuing of building permits.

F. Finance & Administration Committee:

The Finance & Administration Committee was held on January 10, 2011. The meeting was chaired by Z. Tucker, Deputy Mayor. Other members present included: A. Scott, Councillor; J. Turner, CAO; G. Brown, Director of Finance.

The following items were discussed:

Land Sale Policy

The Committee reviewed the proposed changes to the Land Sale Policy. They were presented at the last Council meeting for first reading and no changes have been proposed. The changes involve the sale of residential rear land and have placed time lines on processing of the applications.

Motion #11-005**Land Sale Policy**

Moved by Councillor Foley and seconded by Councillor Blundon that the changes to the Land Sale Policy be adopted as attached.

In Favour: 4 Opposing: 0

Decision: Motion carried.

Invoices for ApprovalCAPITALAS RECOMMENDED BY THE MUNICIPAL WORKS & SERVICES COMMITTEE JANUARY 6, 2011

Motion #11-006

Invoices for Approval

Moved by Councillor Foley and seconded by Councillor Blundon that the invoices be paid as presented.

In Favour: 4 Opposing: 0

Decision: Motion carried.

ACOA RinC Project

The Committee reviewed a letter from ACOA regarding the Recreation Infrastructure Grant it had received from the Federal Government. In the letter the government is prepared to extend the deadline for completing the work from March 31, 2011 to October 31, 2011. Most of the work was completed in 2010. There were, however, a couple of small projects relating to the baseball field improvements that were not complete.

Motion #11-007

ACOA RinC Project

Moved by Councillor Foley and seconded by Councillor Blundon that the Town apply for an extension to RinC Project #719-6152-195945 as per the terms outlined in the letter from ACOA dated December 10, 2010.

In Favour: 4 Opposing: 0

Decision: Motion carried.

Public Works Canada

The Committee reviewed a letter from Public Works Canada regarding the property valuations that they will be reviewing in 2011 as a part of their review for Payments in Lieu of Taxes on federal properties. The properties to be reviewed are those associated with 9 Wing Gander.

Tender – Fire Hall Furniture and Equipment

The Committee reviewed the tender results for the supply of new furniture and equipment for the Fire Hall. Three bids were received on this item. The low bidder was not compliant with the tender specifications.

Motion #11-008

Tender – Fire Hall Furniture and Equipment

Moved by Councillor Foley and seconded by Councillor Lanning that the tender for supply of fire hall furniture and equipment be awarded to Central Office Equipment Ltd. at a price of \$31,289.50, HST inclusive.

In Favour: 4 Opposing: 0

Decision: Motion carried.

Land Sales – Roe Avenue

The Committee reviewed three land sales on Roe Avenue.

Motion #11-009

Land Sales – 101 Roe Avenue

Moved by Councillor Foley and seconded by Councillor Lanning that 0.178 hectares of land at 101 Roe Avenue be sold to Professional Investments Inc. at a price of \$21,991.90, plus HST.

In Favour: 4 Opposing: 0

Decision: Motion carried.

Motion #11-010**Land Sales – 91 Roe Avenue**

In Favour: 4 Opposing: 0

Decision: Motion carried.

Motion #11-011**Land Sales – 91 Roe Avenue Backland**

Moved by Councillor Foley and seconded by Councillor Blundon that 792 square metres of land at the rear of 91 Roe Avenue be sold to GMD Enterprises Ltd. at a price of \$9,750, plus HST.

In Favour: 4 Opposing: 0

Decision: Motion carried.

G. Other:
None.

6. **ADMINISTRATION**
None.

7. CORRESPONDENCE**Consul General Anton K. Smith**

The Town Clerk read a letter from Consul General Smith of the United States extending his gratitude and thanks for all the Town of Gander has done with regards to support and remembrance for victims and families of the Arrow Air disaster in the Town of Gander.

8. NEW BUSINESS

Councillor Foley announced his resignation which is effective as of today, January 13, 2011. Councillor Foley thanked all residents of Gander for the opportunity to sit on Council and apologized for not fulfilling his duties for the remainder of his elected term. Council Foley noted that his resignation is for personal reasons and he took the opportunity to thank Town staff and Council for all of their support especially when he was initially elected following the by-election.

The Deputy Mayor thanked Councillor Foley for his participation and contributions to Council and the community.

A warm round of applause was received for Councillor Foley.

9. ADJOURNMENT

Motion #11-012

Adjournment

There being no further business, it was moved by Councillor Foley and seconded by Councillor Lanning that the meeting be adjourned.

In Favour: 4 Opposing: 0

Decision: Motion carried.

There being no further business, the meeting adjourned at 6:06pm.

Zane Tucker, Deputy Mayor

Garry Brown, Town Clerk
