HOLDING TANK PUMP OUT CONTRACT AGREEMENT

Ontario Building Code Part 8 Program

Contract Agreement Between:

Owner Name:_____

Mailing Address:_____
(Street Address) (City/Town/Twp) (Postal Code)

Contractor Name:_____

Contractor Address:_____
(Street Address) (City/Town/Twp) (Postal Code)

Servicing Holding Tank:

Property Address:_____
(Street Address) (City/Town/Twp) (Postal Code)

Contractor Agrees:

1. To Pump out this holding tank at reasonable intervals to prevent over filling of tank during the time period of January 1st to December 31st each calendar year.
2. Ensure that the holding tank is equipped with a visible or other adequate warning device signifying when the tank is _____ full.
3. Pump out opening is suitably sized, capped and equipped with a locking device.
4. That all material pumped from the holding tank must be disposed of at one of the approved sewage treatment plants operated by the Regional Municipality of Niagara or a site for which a Certificate of Approval has been secured.

Owner Agrees:

1. To restrict use of waste facilities in so far as is practical to facilitate a systematic servicing by contractors and help eliminate emergency calls.
2. To provide reasonably adequate access to the holding tank for the contractor's equipment during agreement period.
3. That no one but the above-mentioned contractor or agent will pump out this tank during the timeframe of this agreement.

The Town of Grimsby's Building Department must be notified directly of any impeding termination of this agreement or change of contractors.
