ABOUT US

The Township of Havelock-Belmont-Methuen is a charming rural community at the south east corner of the County of Peterborough, centrally located between Belleville and Peterborough and 90 minutes east of Toronto. We provide services to our permanent and seasonal residents.

Tourism accounts for a large part of our economy due to the amount of lakes and rivers located in the Township. The Canadian Pacific rail yard and mining industry are an important part of our history and both industries continue to contribute to our economy.

Our permanent population is 5,083 and we have a seasonal resident population of 6,200.

BUILDING, PLANNING & BY-LAW ENFORCEMENT

2023

Administrative Monetary Penalty

The AMP system is designed to streamline the enforcement of, and increase compliance with, Township of Havelock-Belmont-Methuen by-laws. Under AMP, Penalty Notice disputes are handled by the township through the use of Screening and Hearing Officers who are able to modify, cancel, or otherwise affirm penalties. The purpose of this method is to reduce congestion in the courts and to provide a local (township) resolution affording an accessible, transparent, and streamlined dispute resolution process.

2024

Septic Systems

As of November 17, 2024, Peterborough Public Health (PPH) is no longer overseeing the delivery of septic permit services. Effective immediately, the Township of Havelock-Belmont-Methuen has authority over septic system services.
