

Snow Clearing Zones & Priorities

PRIORITY 1 ROADS

Snow fall/conditions:

Accumulations between 0 to 5 cm and/or during icy road conditions

Action taken:

Main roads, trails and sidewalks next to Municipal-owned properties will be cleared. Municipal parking lots will also be cleared, with snow piles removed after higher priorities are complete. Sanding of key intersections.

Target for completion:

8 hours

PRIORITY 2 ROADS

Snow fall/conditions:

Accumulations between 5 to 10 cm

Action taken:

Arterial roads will be cleared, with snow pushed away from sidewalks where possible or onto boulevards where space allows.

Target for completion:

24 hours

PRIORITY 3 ROADS

Snow fall/conditions:

Accumulations between 10 to 15 cm

Action taken:

Neighbourhood collector roads, including the industrial park, will be cleared to keep traffic moving to main roads. Snow will be pushed away from sidewalks where possible.

Target for completion:

72 hours

PRIORITY 4 ROADS

Snow fall/conditions:

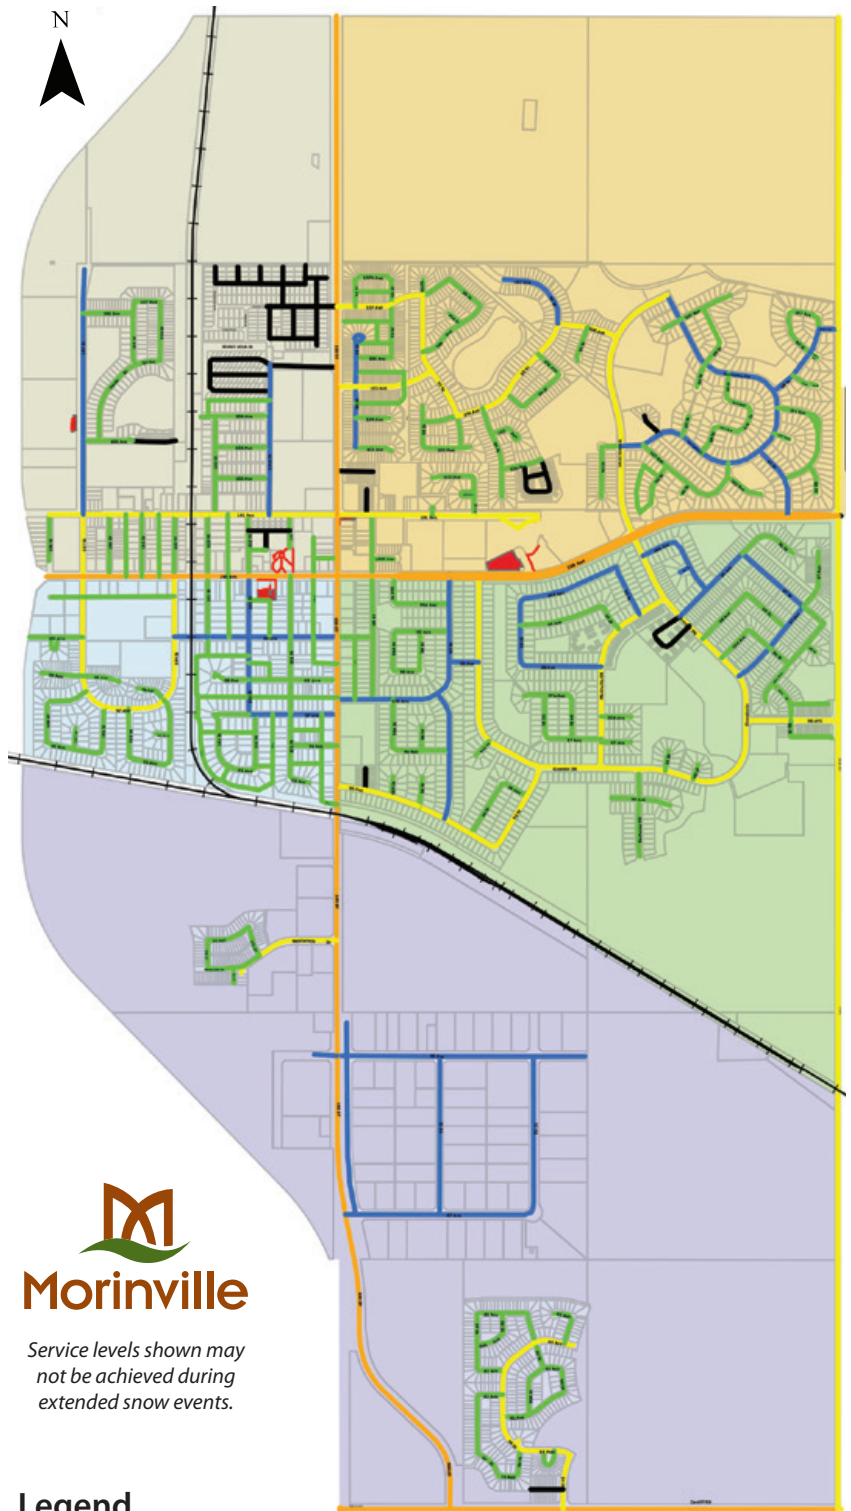

Over 10 cm of compacted snow

Action taken:

Residential snow clearing will begin by zone, with each zone fully cleared, including roads, lanes and pathways.

Target for completion:

10 days - visit morinville.ca/snow to see which zone will start next.

Service levels shown may not be achieved during extended snow events.
