TOWNSHIP OF
North Kawartha

North Kawartha shares a vision of supporting a united and healthy community connected to our natural heritage. North Kawartha is a very popular tourist destination. There are two Provincial Parks within our boundaries; Petroglyphys Provincial Park, displaying the largest known concentration of aboriginal rock carvings in Canada and the 23,000 hectares set aside for long-term preservation as the Kawartha Highlands Provincial Park, due to our fragile ecosystem.

The Township of North Kawartha is a municipal government providing services to a population of approximately 2,877 year round residents and 12,000 seasonal residents.

Residents, both permanent and seasonal enjoy all the benefits of living in our phenomenal community. Come and discover the natural beauty!

Preparing for an Emergency

Emergency Management has 4 stages: Mitigation/Prevention, Preparedness, Recovery and Response. Individuals should be self reliant for 72 hours / 3 days. Protecting yourself begins at home before an emergency strikes. Protect your property with adequate insurance.

People who may require accommodated services and extra assistance in a disaster should contact the municipality. We strive for a disaster resilient community!

For more information or a presentation to your group, contact the Community Emergency Management Co-ordinator at 705-656-4445.
