### **Report to Council**

To: Mayor and Council Members  
From: Shannon Hunter, Chief Administrative Officer  
Date: September 1, 2026  
Subject: Strategic Plan Update

---

#### **Recommendation:**

That Council receive the Strategic Plan Update report for information.

#### **Background:**

Each term of Council, Council in collaboration with staff, adopts a strategic plan outlining the future direction for the North Kawartha community. The plan includes strategic priorities, goals, and objectives that assist Township Departments with prioritizing, planning & budgeting. The current strategic plan is for the years 2023-2026.

#### **Analysis:**

The current Strategic Plan expires at the end of the year and therefore an update is being provided prior to its expiry. The attached report provides updates on objectives completed in the 2026 year, partially completed and not completed objectives. Items that have been completed in previous years have been removed from the document.

A Strategic Plan meeting will be scheduled in the future for preparation of a 2027-2030 Strategic Plan.
