Dear Deputy Premier Jones,

RE: Motion for Provincial Support, Funding and Coordinated Plans to Combat Tick Borne Diseases

I am writing to advise that at the Town Council meeting held on June 23, 2026, Council adopted a motion regarding requesting support to combat tick borne diseases.

The resolution reads as follows:

Whereas the prevalence of ticks, including those known to carry Lyme disease, and other Vector borne diseases have increased across Ontario;

Whereas Lyme disease diagnoses have increased by 27% in 2024 to 2369 (Public Health Agency of Canada, PHAC);

Whereas residents across Caledon have registered growing concerns about public health risks associated with tick exposure in parks, trails and residential areas;

Whereas municipalities have limited jurisdiction and resources to effectively manage tick populations on a broad ecological scale;

Whereas the Government of Ontario is responsible for public health policy, environmental management and vector-borne disease prevention and detection;

Therefore, be it resolved that:

Caledon Town Council formally requests that the Government of Ontario investigate and implement measures to reduce burgeoning tick populations and to mitigate their associated public health risks; and

That such measures may include safe and effective tick control methods, public education campaigns and coordinated regional strategies; and

That the Province consider increased funding and support for local public health units to address tick-borne disease prevention; and

That a copy of this motion be sent to Minister of Health, Sylvia Jones, Chief Medical Officer of Health, Kieran Moore, Minister of the Environment, Conservation and Parks, Todd McCarthy, Peel Public Health, the Toronto and Region Conservation Authority (TRCA), the Credit Valley Conservation (CVC), the Association of Municipalities of Ontario (AMO) and all 444 municipalities across Ontario.
