Notice of Public Information Session
Township of Oro-Medonte
Growth Management Strategy

The Township of Oro-Medonte has retained Watson & Associates Economists Ltd., in association with Dillon Consulting Limited, to prepare a Growth Management Strategy to guide growth, land use planning, and infrastructure investment over the next 30 years.

The study will assess future population and employment growth, identify land needs and development opportunities, and inform the Township's Official Plan Review and Update. Public and stakeholder input will help shape the Township's long-term vision.

Public Information Session

The Township of Oro-Medonte invites residents, businesses, landowners, and other interested stakeholders to attend a Public Information Session to review and provide feedback on the draft findings of the Growth Management Strategy.

Date: Monday, November 30, 2026
Time: 6:00 p.m. to 8:00 p.m.
Location: Township of Oro-Medonte Arena Banquet Hall, 71 Line 4 North

What to Expect

The session will provide an overview of the Growth Management Strategy and present preliminary findings, including:

- Population and employment growth forecasts
- Land needs assessments
- Potential settlement area boundary adjustments
- Emerging policy directions

The evening will begin with up to 45-minute interactive information session, where participants can review project materials and engage directly with members of the project and consulting teams. A brief presentation outlining the key findings and next steps will follow, along with an opportunity for questions and discussion.

Learn More

Additional information about the project is available on the Township's Engagement Page: **engage.oro-medonte.ca/GMS**

If you have any questions or require additional information, please contact:

Andy Karaiskakis
Manager, Planning Division
