QUESTIONS ABOUT YOUR ASSESSMENT?

Recently, Saddle Hills County changed how they provide assessment services, switching from in-house assessors to external assessor, Aaron Steblyk and his team at Compass Assessment Consultants Inc. This change in assessment has caused varying impacts in landowner's property assessments. Saddle Hills County has released a notice regarding these updates and what they may mean for our residents. For more information visit saddlehills.ab.ca/2025-Assessment.

SENIORS' WEEK - JUN. 2-8

WEED INSPECTORS BEGIN WORK

To help ensure the high quality of our crops and eliminate pests, our Weed Inspectors carry out regular annual inspections, looking for noxious and prohibited noxious weeds listed under the Weed Control Act and nuisance and pest species listed under the Agricultural Pests Act. So, if you see a County staff member in your field in the coming months, they are there to help! Weed Inspectors may park vehicles in field approaches but will never drive onto your land, and follow strict biosecurity protocols to prevent disease spread. If you have any questions or concerns about weed inspections, or other services that our Ag Services Department offers, please email us at ag@saddlehills.ab.ca or call (780) 864-3760.
