

Winter Maintenance Policy Approved

Council approved of a Winter Maintenance Plan that was proposed by staff.

The Winter Maintenance Plan covers activities including road patrols, snow plowing, sanding, salting, and ice control measures necessary to maintain safe travel conditions for residents, emergency services, school transportation, businesses, and visitors.

This plan outlines how Municipal staff will keep local roads and sidewalks clear in accordance with provincial winter maintenance standards and industry best practices.

A second sidewalk plow has been added to the winter maintenance fleet to help our team clear snow from local sidewalks faster.

TECHNICAL DIFFICULTIES

**PLEASE
STAND
BY**

Due to technical difficulties, this Monday's Council Meeting was not recorded or livestreamed on our YouTube channel. The meeting was not recorded due to a camera failure that could not be repaired before 5:00 PM.

A notice was published on the Thames Centre website and on social media channels to inform people of this problem. Individuals who registered to attend the meeting were advised that viewing the meeting online would not be possible.

The technical problem has been identified and will be addressed before our next meeting.
